BRIEF ABSTRACT OF LETTER.

States that the D. M. Mysore reports that the contingent bills of the Bench Courts at Srirangapatna and Fraser Rocks relating to the year 1925-26 were not adjusted out of the contingent grant for that year as the bills were not received in time and that the comptroller has taken objection to the charges being met out of the grants for the year 1925-26 and recommends that the contingent charges may be ordered to be met out of the grants for the year 1925-26 and that to avoid delay in the countersigning procedure, each court might be given a permanent advance of Rs 3/- to be recouped on detailed contingent bills, to Chairman of the court for the time being who may acknowledge the amount and account for it.

NOTES AND ORDERS.

1) According to para 2 of Govt. no. G 13546-58/25-42-19-8 dy 10-12-1919, the contingent bills of the Bench Courts have to be incorporated with the contingent bills of the Deputy Court and District magistrates concerned. If the bills from the Bench courts were not received in time, the District magistrate should

have reminded the Bench courts to forward these bills. This difficulty has not arisen in any of the other Bench courts in the State. The Chairmen of these Courts may not know the procedure and if one chairman spends the amount the other chairman who takes charge may not accept these charges or may not know how ~~to be~~ the amount has been spent. To avoid this difficulty perhaps the Contingent bills of the Bench Courts may be ordered to be incorporated in the bills of the Dy Courts concerned under Art 470 the power to sanction permanent advances for contingent expenditure to subordinate officers has been delegated to the chief court. Hence if they think necessary they can sanction the same. No fresh sanction seems necessary. The contingent expenditure already incurred may be met from the contingent grant of the current year's budget. Submitted with a draft.

18/2/26

1) There are two points for orders:—

(1) according sanction to the expenditure in question being met from the current year's grant of the Bench Courts & (2) abolishing the present procedure giving a permanent advance of Rs 30/- to each Court & permitting it to recoup the amount as expended by means of DC Bills.

2) As regards the 1st, sanction to the proposal has to be given & a draft is accordingly put up.

3) Regarding the 2nd point, the proposal involves the modification of the G.O already issued

If Bench Courts bills relating to Shorapur & Munirabad where the Courts were first started had been dealt in another connection.

in the matter, viz that the contingent charges of the courts are to be incorporated in the bills of the Dy Comr & Dt Magistrate. The ~~Dist~~ Bench Courts, according to the present proposal, are to be allowed a permanent advance of Rs 3 — which is the same as the budget grant now given to the courts per mensem — which they ~~can~~ have to spend as necessity arises & recoup the amount so spent ~~by drawing~~ presumably on their own DC Bills. Whether this proposal can be accepted is for orders. The Fin. Branch may be consulted on the point.

5) If this proposal is accepted, a general order will have to be issued applicable to all the Districts. The draft now put up sanctions the amounts of bills in question being debited to the current years grant and reserves for separate orders the proposal for the abolition of the existing procedure.

7) The Rules orders on this point, viz the question viz authorising the Bench magistrate to recoup the amounts on D.C Bills may be considered.

I think that this inconvenience is real; and that either the Courts should be allowed to draw their contingent grants on abstract bills & account for their amounts in detailed bills or that they should be given a small permanent advance of Rs 50/- as suggested by the Chief Court. & that the latter course will be preferred.

From

Registrar, Chief Court of Mysore.

B. NAGAPPA, Esq., Bar-at-Law.,
Secretary to Government,
Local & Legislative Depts
B A N G A L O R E.

Sir,

I am directed to state that the District Magistrate, Mysore District reported that certain contingent bills of the Bench Courts at Seringapatam and French Rocks, on account of expenditure incurred during the months between July 1924 and June 1925, were not adjusted out of the Contingent Grants of 1924-25. When an attempt was made to cash the bill in July 1925 it was disallowed by the Comptroller on the ground that the charges which were debitable to the Grant for the year 1924-25 could not be met from the Grant for the year 1925-26 in the absence of sanction from Government.

The District Magistrate was thereupon asked to explain the delay in the adjustment of the amount. It is understood that the Bench Courts have not been given any permanent advance or imprest from which to meet petty contingent expenditure and subsequently recoup the amount by means of detailed contingent bills.

As a result of this, the procedure that is being followed is that the several Bench Courts send their contingent bills to the District Magistrate's office where they are

consolidated

2

consolidated, and the whole amount drawn and then disbursed to each of the Bench Courts. I am to observe that this cumbersome procedure must lead to delay, and avoidable correspondence both to the Bench Courts and the District Magistrates. There is no reason why the Bench Courts should not be given a small permanent advance of say Rs.3/- and draw the amount expended whenever necessary from the Treasury like other Courts.

I am, therefore, to recommend to Government that the present cumbersome procedure may be abolished and suitable orders passed providing each of the Bench Courts with a permanent advance of Rs.3/- and permitting them to recoup the amount as expended, by means of detailed contingent bills. The Chairman of the Court, for the time being, may be required to acknowledge the permanent advance and may be made accountable for it.

In the present instance, I am to request that the Government may be pleased to sanction the expenditure in question being met from the Contingent Grants of the Bench Courts referred to for the current official year (1925-26). The contingent bills and other connected papers submitted by the District Magistrate, are sent herewith.

I have the honour to be,

Sir,

Sir,

With reference to your letter No.P.5555-62/Cts. 217-25-31 dated the 29th April 1926 enquiring whether a sub-imprest of Rs.3/- out of the office permanent advance can be given to each Bench Court, to avoid delay now occurring in the submission of the contingent bills, I have the honor to state that it is not possible to spare any money to the Bench Magistrates out of my imprest considering the needs of this office. Further the mere grant of an imprest to the Bench Magistrates would not obviate the delay now noticed in the submission of the bills by the Bench Magistrates. Much time is not lost in sending the amount to the Bench Magistrates by this office by means of R.T.Rs. in cases where the bills are otherwise admissible and submitted to this office promptly. There is considerable delay in the submission of bills and rectification of errors and defects therein and in obtaining the sanction of the Comptroller in case the bill gets more than 3 months old by the time it reaches this office in a complete form.

To avoid all these unnecessary correspondence and delay, I beg to suggest that the Bench Courts (excepting that of Mysore City) in the District, may be given a fixed contingent allotment of Re.1/- a month based on the average expenditure for the last 3 years, the Amildars of the Taluks being authorised to draw and disburse the same to the

to the Chairmen of Bench Courts of the respective Taluks.

As the City Bench Court is within the limits of Mysore City and as a sub-imprest of Rs.5/- has been given to it by this office, the practice of drawing and disbursing the amount by this office may be continued.

Sir,

With reference to your letter No.P.5555-62/Cts.217-25-3 dated 29th April 1926 enquiring whether it is possible to give each of the 10 Bench Courts in the District a Sub imprest of Rs.3/- out of this office permanent advance, I have the honour to state that out of the permanent advance of this office, a sub-imprest of Rs.40/- has already been made to the Bangalore Sub Division Assistant Commissioner and there will be no difficulty in giving a sub imprest of Rs.3/- to each of the 10 Bench Courts in the District as suggested, but I am to add in this connection that there will be some inconvenience caused in maintaining the cash account of this office as every time these sub-imprests are to be shown as having been advanced to the several Bench Courts.

Sir,

With reference to your letter No:P.5555-62/Cts.217-25-3 dated 29th April 1926, enquiring whether I can spare a Sub imprest of Rs 3/- to each of the Bench Courts in this District, I have the honor to state that the present imprest of Rs 160/- sanctioned to this office is barely sufficient to meet the unforeseen and urgent expenses of this office.

2. As regards the delay in the payment of contingent charges to the several Bench Courts in the District, I would suggest that the Amildars of respective taluks may be directed to draw and disburse the contingent amount to the Bench Courts every month instead of every quarter from the Judicial Branch of this office as at present.

Sir,

Adverting to your letter No. P.5555-62/Cts 217-25-3 dated 29th April 1926 enquiring whether a sub imprest of Rs 3 can be given to each of the Bench courts in this District out of my office permanent advance, I have the honor to state that the Bench courts in this District have been permitted to draw the amount of Rs 2 sanctioned for their monthly contingent charges along with other sanctioned items of expenditure on monthly bills signed by the respective Chairmen as instructed in para 3 of the Comptroller's letter No.179/TADA dated 7th August 1925, an extract of which is enclosed for reference. Thus the contingent charges of these courts are not being incorporated in the contingent bills of my office and the grant at any sub imprest to them is unnecessary. Moreover it is inconvenient to grant any sub imprest from this office to courts scattered in different parts of the District as it will tend to increase correspondence.

Sir,

I am directed to invite reference to G.O.No.P.5027-8/cts. 217-25-2, dated 31-3-1926, according sanction to meet the contingent charges of the Bench courts at Seringapatam and French Rocks relating to the year 1924-25 from the contingent grants allotted to the said Bench courts for the subsequent year 1925-26, and stating that separate orders will be issued regarding the abolition of the present procedure obtaining in the Bench courts under which the contingent bills of the several Bench Courts are drawn and disbursed by the District Magistrate's office.

I am to state that a similar reference has been received from the District Magistrate, Tumkur in which sanction is solicited to meet the contingent charges of the Bench court at Kunigal for November 1924 out of the current year's grant. The matter is still under correspondence.

In the meanwhile, I am to request that Government may be pleased to pass early orders regarding the abolition of the present procedure of drawing and disbursing contingent bills of the Bench courts by the District Magistrate's office and also to pass

suitable

suitable orders providing each of the bench courts with a permanent advance of Rs.3/-.

Order No.P. 544-54

Dated Bangalore, 31/7/1926.

The contingent charges of the Bench Courts are at present being incorporated in the contingent bills of the District Magistrates concerned, who draw the whole amount and ther disburse to the several courts. It has been brought to the notice of Government that this procedure involves delay and much avoidable correspondence both to the Bench Courts and

and the District Magistrates and that -- charges incurred in one year have sometimes to be met out of the grants for the next year.

2. To remedy this state of affairs, either a small permanent advance has to be sanctioned to each Bench Court, or instead of multiplying permanent advances, a sub-imprest has to be given by the District Magistrate out of the District Officer's permanent advance. The majority of the District Magistrates who were consulted, are not in favour of granting any sub-imprest to these Bench Courts as the permanent advance held by them is not large enough. Government are accordingly pleased to sanction to each Bench Court a permanent advance of Rs.3/-, the amount being recouped as expended by means of detailed contingent bills. The Chairman of the Bench Court for the time being will acknowledge the permanent advance and account for it.

3. The District Magistrates of Dts. are requested to issue needful instructions to give effect to the new arrangement -- hereafter.
